

BLUE MOUNTAIN SCHOOL DISTRICT

PARENT NOTIFICATION LETTER – TITLE I Serving the Needs of Parents and Students

To the Parent(s)/Guardian:

This is to inform you that your son/daughter has been selected to participate in the kindergarten through third grade Title I Reading Program for the 2021-2022 academic year. Selection for this program was based on reading achievement test scores, benchmark testing, district assessments, kindergarten screening and/or teacher recommendations. Your child should not miss any of his/her other subjects by participating in this program. He/she will receive individual and small group or in-class instruction a minimum of four times a cycle for a full school year. Please see the enclosed Title I fact sheet for more information. Title I services will also be offered in the regular classroom in kindergarten, first grade and second grade.

Please sign and return the bottom portion of the letter by September 10, 2021 so we know that you have been informed about the Title I program, and we may begin providing Title I services to your child for the 2021-2022 academic year.

If you have any questions, please call Gwen Belding at 570-366-0515 or e-mail gjbelding@bmsd.org.

Sincerely,

Gwendolyn J. Witmer-Belding
Title I Coordinator/Director of Elementary and
Secondary Education

Please check the appropriate box below indicating permission to place your child in the Title I Program, and return to your child's homeroom teacher.

- Yes, permission is given for my child to participate in the Title I Reading Program for the 2021-2022 academic year.
