**PARENT NOTIFICATION LETTER – TITLE I**  
**Serving the Needs of Parents and Students**

To the Parent(s)/Guardian:

This is to inform you that your son/daughter has been selected to participate in the kindergarten through third grade Title I Reading Program for the 2024-2025 academic year. Selection for this program was based on reading achievement test scores, benchmark testing, district assessments, kindergarten screening and/or teacher recommendations. Your child should not miss any of his/her other subjects by participating in this program. He/she will receive individual and small group or in-class instruction a minimum of four times a cycle for a full school year. Please see the enclosed Title I fact sheet for more information.

Please sign and return the bottom portion of the letter *by September 30, 2024* so we know that you have been informed about the Title I program, and we may begin providing Title I services to your child for the 2024-2025 academic year.

If you have any questions, please call me at 570-366-0515 or email me directly at:
